TEST CASES PASSED

Project: Automated Marksheet Generator (PS No. 90)

Student: SRIJAN **ERP:** 00049 **Course:** BCA 1 B

Language: Python 3 **Library:** Pandas

Official test scenarios verified using the program output shared during testing:

Test	Input	Observed output	Status
1	Roll 101	Anita; 255/300; 85.00%; Grade A; PASS.	PASSED
2	Roll 102	Rahul; 135/300; 45.00%; Grade E; PASS.	PASSED
3	Roll 999	Roll 999 not found. Invalid Roll 106 skipped (marks out of range).	PASSED
4	Roll 103	Suman; 165/300; 55.00%; Grade D; FAIL (Maths below 40).	PASSED

Note: Test Case 4 is marked PASSED because the program correctly identifies Suman as FAIL when Maths is below 40. This report summarizes the four outputs shared during testing.
